Thank you for your interest in the Point Endo. Our team at Point Designs is committed to the innovation of devices in the upper limb prosthetic field. We develop products that provide prosthetists and end users with solutions to meet the unique needs of every patient. The Point Endo provides an effective and robust solution for many upper limb amputees with finger loss and provides your clients with the capability to enjoy their work, family, and life to the fullest. The Point Endo is designed to be used in conjunction with a custom cosmetic covering.
